

INTERNAL AUDIT PRACTITIONER

Product Details - Distant Learning

Internal Audit Practitioner designation

The Internal Audit Practitioner designation offers you support as you take your first step toward becoming professionally qualified and provides access to the CIA (Certified Internal Auditor). You will be introduced to the core elements of the International Professional Practices Framework and the International Standards.

Upon completion you may enter the CIA (Certified Internal Auditor). You must register for the CIA within three years of achieving Internal Audit Practitioner designation.

Online learning programme

We can support you as you study towards the Internal Audit Practitioner designation by offering a comprehensive blended learning programme, with learning outcomes to be achieved each week. The content was written especially for the designation and addresses all the syllabus areas.

The programme includes the following:

- Eight-week course (20 hours)
- Five virtual classes (10 hours)
- Reading and self-study (10 hours)
- Revision and exam (10 hours)
- Tutor facilitation
- Forums that will allow you to interact with your tutor and fellow students
- Access to all Chartered IIA and IIA Global online resources and publications
- All materials will be accessible up to six months after course completion

Exam

- You can sit the exam as soon as you have finished the eight-week learning programme
- The duration of the exam is two hours and consists of 100 multiple choice questions
- You will have six months (180 days) to take the exam from the time of registration.

WHO WILL BENEFIT?

- Internal audit professionals who may not yet have the work experience for the CIA programme (non-graduates)
- New internal auditing professionals
- Rotational internal auditors

KEY TOPICS
